FCA plans new office

PICTURED AT THE GROUNDBREAKING are Charlie E. Wisecarver (with shovel), Association Director from Campbell County; Gene McNabb, Lynchburg Branch Manager, and Doris B. Dodd, loan officer.

The Lynchburg branch of the Farm Credit Association of Farmville held a groundbreaking ceremony for a new 1400-square-foot office building last Thursday (Sept. 16).

The structure will be built on a parcel of land adjoining the Virginia Department of Highways buildings on Route 501 South, in the city of Lynchburg.

Lynchburg Farm Credit serves (through the Federal Land Bank and Production Credit Association) farmers and rural residents in Amherst, Appomattox and Campbell Counties. The organization has leased several different offices in the Lynchburg area during the past 40 years, and it is anticipated that the new office will allow the Association to provide better service to its members by upgrading its facilities and location.

Classes for adults are taught on an individualized basis and adults will not be at any disadvantages by enrolling now," states R. B. Carter, Adult Education Coordinator.

In several classes additional enrollment is needed if the class is to continue. The Appomattox County School Board reserves the right to cancel classes where enrollment is less than ten persons.

A variety of classes for adults are being offered and adults are urged to take advantage of the many opportunities offered through the Adult Education Program. Classes that are starting now include typing, GED Review, Sewing, Aerobics, and Physical Education for Women.

Interim reports to be sent out

By Jennifer Inge

As the first three weeks of school come to an end, teachers send out students' interim reports. Interim reports are reports that are sent out midway through a six weeks' period containing a student's grades. Sending these reports to all students during the first six weeks' period is something new at ACHS.

Interim reports provide a way of communicating with parents. The main objective of these reports is to provide a means by which a student's progress can be evaluated continuously. During the first six weeks' period, interim reports were sent out to all students. Students are required to bring back the reports signed by a parent or guardian. Parents may request that an interim report be sent to them each six weeks' period.

Teachers will send home an interim report on all students who, midway through the third and fourth six weeks' grading period, are failing. Parents may also request a conference with the teacher to discuss these reports.

Congratulations to Allison Peters who was one of 14 finalist in the Miss Five County Fair Contest. Allison is a junior at ACHS and lives in Pamplin. She was sponsored by the Pamplin Ruritan Club.

The Raider football team will host their first home game Friday, Sept. 24. The game will start at 8 p.m. at Bragg Stadium with Appomattox battling Liberty. A dance, sponsored by the cheerleaders, will follow the game. Good luck to the Raiders!
